Re: EPA Pesticide-Producing Establishment Number: 84221-AZ-1

Notice of Warning
Reference Number: F-09-17-14

Dear Company Official:

Your 2016 Annual Pesticide Report for Pesticide-Producing and Device-Producing Establishments ("Report") was postmarked after March 1, 2017. Failure to submit the required information on time is a violation of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). Your company has completed the reporting obligations under Section 7 of FIFRA for your establishment for the current year. **You are not required to respond to this Notice.**

Failure to report by March 1st is an unlawful act as described in Section 12(a)(2)(L) of FIFRA. You are advised to comply in the future with the regulations at 40 CFR Section 167.85 which state that the due date for submission of the 2016 Report is March 1 of each year. This letter constitutes a warning pursuant to Section 9(c)(3) of FIFRA, 7 U.S.C. § 136g(c)(3). Noncompliance with this reporting requirement in the future may subject your company to an administrative civil penalty.

In addition, please review the enclosed Small Business Regulatory Enforcement and Fairness Act ("SBREFA") Information Sheet which is designed to provide information on compliance assistance, as well as to inform small businesses of their rights to comment to the SBREFA Ombudsman concerning EPA enforcement activities. EPA is disseminating this information to you without making a determination that your business is a small business as defined by Section 222 of SBREFA or related provisions. Be aware that SBREFA does not eliminate your responsibility to respond to a complaint, information request, or other enforcement activity within the allowed time.

If you have any questions, please contact Scott McWhorter at 415-972-3584 or mcwhorter.scott@epa.gov.

Sincerely,

Eric Magnan, Manager
FIFRA Enforcement Office
